

Himachal Covid Care Mobile App - Privacy Policy

National Informatics Centre has Developed the “Himachal Covid Care” mobile app for National Health Mission, Department of Health & Family Welfare, Government of Himachal Pradesh as a free app for use by Home Isolated Covid patients for providing them proper medical guidance during the Quarantine period through Medical Officers. Authorized Government Medical Officers at Block level will access the data of registered patients and advise them through the App. The data related to daily temperature, oxygen level, pulse etc will be entered by the patient for analysis by the Medical Officer. The Block Medical Officers and Chief Medical Officers will see the dashboard of the registered users, Medical officer and status of interactions. The app is available at no cost and is intended for use as is.

Information Collection and Use

The app enables the general user, who is Covid positive and in home-isolation to register in the App using Mobile Number. The user enter mobile number, name, age, gender, address to register in the App and the date from which the person is Covid positive. The list of such registered patients is made available to Block Medical Officers, who log into the app using their mobile and password, which they can change. The BMO assigns these patients to Medical Officers for interacting with the patient till recovery. This data is never shared with the public at any stage.

Security

We value your trust in using this mobile app and collecting data related to Covid19 home isolated patients in the State on behalf of the Department of Health and Family Welfare, GoHP, India. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.
